

Zhang Ruiyi

ruiyizhang@buaa.edu.cn | github.com/ZenithRains

Education

- 2024 – present **Ph.D. student in Applied Mathematics, Beihang University**
School of Mathematics and Systems Science
Research areas: Fluid dynamics and chemotaxis
- 2020 – 2024 **B.Sc. in Mathematics and Applied Mathematics, Beihang University**
Hua Loo-Keng Experimental Class for Mathematics
GPA: 3.6/4.0; 181 credits received

Teaching Experience

- 2025, 2026 **Teaching Assistant, Partial Differential Equations**
Beihang University
- 2025 **Teaching Assistant, Mathematical Analysis for Engineering**
Beihang University
- 2021 – 2023 **Teaching Assistant, Fundamentals of Computer Science**
School of Flight, Beihang University

Honors & Awards

- 2025 First Prize, 23rd Summer School on Nonlinear PDEs (Junior Class), Capital Normal University
- 2023 Second Prize, 14th Chinese Mathematics Competition for College Students (Mathematics A)
- 2022 First Prize, 33rd Beijing College Student Mathematics Competition (Mathematics Group A)
- 2022 Second Prize, Contemporary Undergraduate Mathematical Contest in Modeling (Beijing Division, Group A)
